Union Square Events was

thrilled to recently host the first event in our two new exclusive venues in **BANK OF AMERICA WINTER VILLAGE AT BRYANT PARK!** Last week we invited friends of Union Square Events to join us for cocktails and canapés at this quintessential New York City venue. Adjacent to the outdoor ice skating rink, **RINKSIDE POINT AND THE OVERLOOK** provide spectacular views of Winter Village and Midtown Manhattan. With floor to ceiling views, completely customizable spaces and nearby access to subways, our spaces are perfect for hosting corporate events, holiday parties and cocktail receptions this winter season! For more information, please reach out to **KIMBERLEE CONSALES.**

In Rinkside Point, guests enjoyed a seasonally inspired menu from **EXECUTIVE CHEF JOHN KARANGIS** and listened to music from DJ Jason. The menu featured dishes like Stracciatella Toast with Autumn Squash, Chestnut Agnolotti with Parmesan and Black Truffle, and Mini Apples stuffed with Autumn Spiced Duck and Apple.
